INTELLECTUAL PROPERTY PURCHASE AGREEMENT

This Intellectual Property Purchase Agreement ("Agreement"), effective as of January 15, 2003, is made by and between Epogy Communications, Inc. ("Epogy") having a place of business at 1271 Oakmead Parkway Sunnyvale, CA 94085, and J. Nicholas Gross ("Purchaser"), an individual having a mailing address of 3883 18th Street, San Francisco, California 94114.

RECITALS

- A. Whereas Epogy intends to cease business and wind down operations immediately as a result of a lack of continued funding from investors and shareholders;
- B. Epogy has certain financial obligations associated with closing its business for which it desires to secure sufficient monies to help pay off such obligations;
- C. Epogy owns certain intellectual property assets, including patents, applications, inventions and other know-how detailed below;
- D. The intellectual property of Epogy, with very limited exceptions, is primarily in an unrealized, unactualized state requiring a significant additional investment of legal fees and filing costs to develop into protectable form;
- E. Epogy's investors, including its shareholders, have been consulted and are unwilling to invest additional fees and costs to sustain, preserve or actualize the value of the intellectual property assets;
- F. Epogy's Board of Directors, shareholders and officers believe it is in the best interests of Epogy to dispose of certain assets owned by Epogy, including intellectual property and other assets to secure monies sufficient to pay off any remaining obligations;
- G. Epogy has attempted to procure a purchaser of the intellectual property assets over the course of the past year but has been unsuccessful to date;
- H. Time is of the essence because Epogy must cease operations immediately, and accordingly Epogy has determined that the nature of the assets to be sold is such that an undue delay associated with conducting an extensive marketing of the assets will diminish the value of such assets, and/or be impractical;

THEREFORE, the parties agree:
